

Survey of Children's Pets

The following information is for an imaginary class of children and their pets.

Remember that lizards, snakes and tortoises are all reptiles but frogs and toads are amphibians. Rodents include mice, rats, hamsters and guinea pigs.

Name of child	Pet
Amy	Cat
Bob	Hamster
Clare	Dog
David	No pets
Ellie	Cat
Fred	Corn snake
Gail	Rat
Harry	Dog
Izzy	Cat
Jamal	Mouse
Karim	Lizard
Leo	Parrot
Mandy	Guinea pig
Nico	Budgie
Ophelia	Cat
Paco	Cat
Quora	Tortoise
Sara	Stick insect
Tomaz	No pets
Una	Clown fish
Vera	Frog
Wim	Dog
Xander	Goldfish
Yang Yang	Cat
Zak	Dog

Firstly, use this information to make a tally chart to show how many of each type of pet the children have. Secondly, use the pictures and the chart to make a pictogram to show how many pets the children have. Finally, answer the questions.
