

Writing task

Week beginning 22/06/2020

I am learning to write a postcard to my friend or family member

Your task is to write a postcard to a friend or family member that you have missed. You need to tell the friend or family member what you have been doing at home. A postcard is a card for sending a message by post without an envelope, typically having a photograph or other illustration on one side. Remember to look at the success criteria and the WAGOLL. Use the template below. You can draw a picture on the back of your postcard.

Learner	Success Criteria Setting description	Adult
	Use expanded noun phrases.	
	Use conjunctions and, but or	
	Write in first person.	
	The name and address of who you're sending it to.	

Challenge: use brackets to give extra information, for example, (so I can see the sunset).

Dear Tom,

POSTCARD

I have been very busy at home. During my time at home, I have been busy in my garden. Yesterday, I planted bright pink, flowers and cut the grass. The grass was really long it looked like a forest! Today, I am relaxing in my garden and having a cream tea with my mum. I am very excited. Tomorrow I am going to go for a walk across the beach, but not until the evening (so I can see the sunset).

Hope you are well and hopefully see you soon.

From Jack ☺
