

Just for fun

Here are a range of activities you can complete in the afternoon which you can share on Facebook or by emailing them to your teacher.

Use sticks, leaves and things in the garden to create a picture.	Have a water fight!	Help write a shopping list.
Freeze some juice or fruit to make your own ice-poles.	Make a bird feeder or a bug hotel for the garden.	Tidy your bedroom!
Draw a picture using every colour you have.	Paint your nails (yes, boys too, why not?)	Video call a friend.
Write a list of 5 things you're going to do when lockdown is over.	Make breakfast for your family (parents to supervise of course).	Make a sock puppet using an odd sock.
Learn how to tie your shoelaces!	Measure the height of you and your family members (including pets)!	Make your own lava lamp. YouTube search: How to make a lava lamp. Science with Greg Foot and George's Marvellous Medicine.
