

## Grow your own rainbow!

### You will need:

- Kitchen roll/paper towel.
- Felt-tip pens
- Two small bowls of water
- Paperclip and thread (or a way of holding the rainbow in place)

### Method:

1. Cut the kitchen roll into the shape of a rainbow.
2. At each end, use the felt-tip pens to colour a rainbow about 2cm up from the bottom.

Remember the order of the colours: red, orange, yellow, green, blue, indigo, violet.

3. Attach the paperclip to the top of the rainbow and tie a piece of thread to it. This

will allow you to hold your rainbow.

4. Add water to the two bowls.

5. Hold the rainbow with both ends slightly submerged into each bowl of water and

watch your rainbow grow.
