

## **Reading Guidance**

### **Reading comprehensions:**

There are three reading comprehensions available for you and the children to work through.

They are of different levels (your children will know which group they are in):

Purple Watch: 1\* texts and questions.

Blue and Red Watch: 2\* texts and questions.

Green and Yellow Watch: 3\* texts and questions.

Purple Watch group's parents please read the text to them, or support them to read the text. Other groups read the text independently, may need support to read some words. Then children answer the questions (the answers are attached too).

Feel free to ask any other questions about the text that you would like to, in order to develop your child's comprehension skills. I have attached a document with question ideas whilst reading with your child.

### **Other reading activities:**

When you share a story your child could:

- Write a book review.
- Design a new book cover.
- Write an alternative ending.
