

Writing task

Week beginning 29/06/2020

I am learning to write a life cycle of a butterfly.

Your task is to write a life cycle of a butterfly. All animals are born, they get older and bigger and some animals will have children. In the end, all animals die. We call this a life cycle. Remember to look at the success criteria and the WAGOLL. Use the template.

Learner	Success Criteria Setting description	Adult	
	Use expanded noun phrases.		
	Use conjunctions and, but or		
	Short sentences		
	Key facts (For example, after 2-25 days the tadpole hatches from the egg)		

Challenge: use brackets to give extra information.

WAGOLL (What a Good One Looks Like) on next page.

The life cycle of a frog.
