#### <u>Writing Task</u>

Pretend that you are Little Red Riding Hood and go for a walk in your local area. You may want to visit a park, field or even the woods!

Think of the items that you could collect and put in your basket if you were Little Red Riding Hood. What items would you choose that would help you to get away from the big bad wold when arriving at grandma's house.

Draw a picture of the items that you would choose and why you think they will help Little Red Riding Hood escape from the big bad wolf.
