## A Message from Mr Roberts

It was lovely to see all the children back in school this week! They have settled back into school life well and have enjoyed seeing their friends. Once again, thank you for all the support you have given with your child's home learning over the last few weeks.

## Start Times Reception Class

Reception start times will change to 8.30am from this Monday 15<sup>th</sup> March. All other classes remain the same. This is to ensure they are settled into class ready for their first lesson.

## Lateral Flow Tests

With the children returning to school, parents can access Lateral Flow tests for their children. Tests can be collected from one of the centres which are located at Plymouth Guildhall and Marjons.

## Red Nose Day

On Friday 19<sup>th</sup> March, we will be entering into the fun of Red Nose Day. Children may come to school dressed in something red for a donation to the Red Nose Day cause. Red noses welcome!
